

Ring spot

The 20W Ring spot is a first of its kind with three modes of operation. Providing a dimmed light, normal light, and a ring-like effect for the third, this light is rightly suited for your interiors and gives it a beautiful look. It is an apt solution for recessed indoor lighting applications. It works on high quality COB chip providing high luminous efficiency, stable performance to provide uniform and comfortable light output. Having a CRI value of greater than 80, it includes the best combination of energy efficiency, performance, aesthetics and reliability.

Benefits

- Instant start up
- No Flickering
- No Humming
- No emission of IR and UV rays
- Long operating life of more than 50,000 hours for the LED ensures the system to be low on maintenance
- Environment friendly, does not contain mercury(RoHS)

Features

- Powered by external electronic power supply
- Precision optical design providing comfortable light output.
- High class LED providing uniform light output

Applications

- Hotels
- Clubs
- Museums
- Residential applications

Specifications

Model No.	S02402-20
Light Source	COB LED
Power	15W+5W
Beam Angle	15/24/38/60 Degree
Luminous flux	1200+ 250 lm
Correlated Colour Temperature	2700K/3000K/4000K/5000K/6000 K
Colour Rendering Index	>80/90
Life time	50, 000 hours
Dimension	φ120X 95mm
Weight	0.69 Kg

Operating Temperature Range	+10 to 40°C
Ambient Temperature	25 to 80°C
Driver	Provided external
Input Voltage	220- 240VAC
Material	Die cast Aluminium
Fixture Colour	White+ Black/White/Black
Optics	Reflector
Installation	Recessed mounting in ceiling
Cutting hole	φ105 mm
Packing Details	Carton size- 42.4x33.9x24.2cm 12pcs/carton
